'Born in 1978, I have been practising art since I was 19, when I first completed my diploma in art at Mavelikkara, Kerala. Later when I completed my specialised studies, I started working as a full-time professional artist in Coimbatore, and have been that for over 20 years now. I have exhibited my works in group shows held in Coimbatore, Kerala and Bangalore.

'Of all things that are beautiful in this world. I believe that the form of a lotus and that of a female are the best. They both bloom in sometimes difficult circumstances, but their beauty and attraction never changes. In my works, I juxtapose both their forms reflecting the expressions of a female and the beauty of a lotus.'
